Things to Wear and Animals

The Marvelous Game of Photo Matching! **2-6 Players • All Ages**

Contents:

- 12 color-coded lotto playing surfaces (6 lotto boards printed front and back)
- 2 targeted categories: Things to Wear and Animals
- 27 different pairs of picture cards per category
- 120 total picture cards (60 cards per category)

Object of the game:

Be the first player to fill up the entire game board with picture cards.

How to play:

1. The teacher decides which category to practice.
2. Each player chooses a game board.
3. Shuffle the picture cards. Place face down in a pile creating the “play” stack.
4. Players take turns finding cards to match pictures on their game boards. First player chooses the top card from the “play” card pile.
5. If the card matches one of the pictures on his/her game board, player places the card on top of the matching picture. The player may draw another card or play continues to the next player.
6. If the card does not match any of the pictures on the game board, player places the card face up on the “discard” stack. Play continues in turn. With each turn, player may choose the top card from either the “play” stack or the “discard” stack.
7. If player draws a “Free Bee Card,” the player places the card anywhere on his/her game board.
8. The first player to cover his/her entire game board wins!

Variations:

- For each match made during the game, have players give a sentence using the vocabulary word, or describe the picture naming its attributes.
- Use category cards without the boards to play memory and matching games.
